

**Figure 2**

**GSPT ACT REPORTING REQUIREMENTS**

**Section 15.** On or before the first day of September in each year, the Trust shall provide a complete operating and financial statement covering its operations during the year, a long range financing plan for the next 5 years, and a more specific short range financing plan for the next year.

**Section 25.** One year after the date of enactment of the Act, and biennially thereafter, until and including 2008, the Trust shall provide a report of the following:

- a. Progress made on achieving the goals and objectives of the Constitutional amendment and the GSPT Act, and recommendations with respect to any legislative, administrative, or local action that may be required to ensure that these goals and objectives may be met;
- b. Tabulation, for the reporting period and cumulatively, of the total acreage for the State, and of the acreage in each county and municipality;
- c. Tabulation, for the reporting period and cumulatively, of the total acreage for the State, and of the acreage in each county and municipality, of donated lands;
- d. Listing, for the reporting period and cumulatively, and by project name, sponsor and location by county and municipality, of all historic preservation projects funded in whole or in part with constitutionally dedicated monies;
- e. Indication of those areas of the State where the acquisition and development of lands by the State are planned or most likely to occur, and a proposed schedule and expenditure plan for same, as well as an explanation of how those proposed projects will be distributed throughout all geographic regions of the State to the maximum extent practicable and feasible;
- f. Listing of any surplus real property owned by the State or an independent authority of the State that may be utilizable for recreation, conservation or farmland preservation purposes, and indication of what action has been or must be taken to effect conveyance of those lands for preservation;
- g. Listing, for the reporting period, of all projects for which applications for funding under the Green Acres, Farmland Preservation and Historic Preservation programs were received but not funded with constitutionally dedicated monies, and the reason(s) the projects were not funded; and
- h. Provision, for the reporting period, of a comparison of the amount of constitutionally dedicated monies appropriated to urban aid municipalities to the average amount of Green Acres bond act monies annually appropriated for such projects in the years 1984 through 1998.
